The Candover Valley Store now offers a (temporary) food delivery service for vulnerable and self- isolating customers **who have no other form of assistance.**

2. **CONTACT DETAILS:** Please give your:
Name and address including post code; telephone number
and confirm you are over 18 (*if ordering alcohol*)
3. **PAYMENT:** You will be asked to provide your card details
(for customer not present card transaction):
For security, this information will be shredded once your transaction has been completed

5. **DELIVERY** – we aim to deliver your order to your doorstep

While every effort will be made to fulfil your order, CVS can only supply what is in stock. CVS will aim to provide basic essentials - but cannot provide a full on-line delivery service (we are not Ocado!). It is only through the hard work of our staff and volunteers that we are able to offer this home delivery service at this difficult time. If items are not in stock, this will be noted on your order/receipt.

****Items once purchased cannot be returned to store***

****We will aim to deliver within 24hrs where stock levels permit***

****May we kindly request no more than two orders per household per week***

****Delivery within approx. 5 mile radius of store (but not to Basingstoke, Four Marks, Alton or Alresford)***
